

Budget

The Budget and Annual Comprehensive Financial Report (ACFR) documents cover the fiscal period beginning October 1 and ending September 30. A Proposed Budget is a document still in the review and analysis process. The Village of Indiantown holds open public meetings, including several Budget Workshops in the summer, followed by two Budget Hearings completed by September, to officially adopt the Budget for the year beginning October 1. The ACFR report is issued by April following the fiscal year ended September 30, and is prepared by an independent audit firm.
